SEMINAR HIGHLIGHTS

The **Malaysian Budget 2018** will be the last budget before the next general election. Prime Minister and Finance Minister Datuk Seri Najib Tun Razak will table the Budget proposals themed "Shaping The Future" on 27 October 2017. It is expected to introduce the foundation to the nation's aspirations for the next 30 years under Transformasi National 2050 (TN50), amongst other measures.

How will the Budget proposals impact you in the short to long term, as Malaysia restructures its economy?

What are the important tax developments, opportunities and risks to your business?

For the first time in Kuching, this signature seminar brings together experts from Baker Tilly (Malaysia), Baker Tilly TFW LLP (Singapore) and Priority One as well as guest speakers from DBS Bank (Singapore).

We offer insights and in-depth analysis for you to gain fresh perspectives on Budget 2018, and for you to reflect on how you should stride forward in the evolving business, regulatory, technology and digitalisation landscapes.

This seminar will be an exceptional platform for professional development and networking.
